North University Merit Scholarship Rules

Merit scholarship applicants must be enrolled full-time in an undergraduate programme. Applicants must maintain a cumulative GPA of at least 3.5 on a 4.0 scale. Applications open on 1 August and close on 30 September each academic year.

A student who already receives a university-funded sports scholarship cannot combine it with the merit scholarship. The student may choose only one university-funded scholarship. External private grants do not count as university-funded awards.

Eligible applicants must submit the online form, latest transcript, and proof of full-time enrollment. The scholarship committee publishes decisions within 20 business days after the deadline.
