South Institute Scholarship Policy

South Institute Academic Excellence Grant requires a minimum GPA of 3.2 on a 4.0 scale and enrollment in at least 12 credit hours. The award is available to domestic and international students.

Students receiving the South Institute athletic award may not receive the Academic Excellence Grant in the same term. Applicants must submit the application form and current transcript by 15 October.

The financial aid team reviews complete applications within 10 business days. Award amounts depend on annual funding and are confirmed in the award letter.
